

DID YOU KNOW?

- 1. For EVERY \$1.00 (one dollar) you invest in maintenance, it will save you \$8.00 (eight dollars) in repairs!**
- 2. “Old” removed FLUIDS should always “look like new”, even though they are not!**
- 3. Any “color changed” FLUIDS are DAMAGING to your vehicle’s internal parts!**
- 4. “Rust” or other corrosion byproducts are what “colors” your coolant!**
- 5. Colored coolant is simply “DESOLVED ENGINE”!**
- 6. There was OVER \$69,800,000,000 (that’s BILLIONS) in unperformed maintenance in the USA last year! That’s ½ TRILLION DOLLARS in repairs this year!**
- 7. These are ALL items from Mr. Pat Goss, National “Motor Week” host on the radio!**
